

# HOW TO SAVE THE YES BUSINESS CAN BOOK TO YOUR DEVICE

## EPUB

The easiest way to open an epub file on your portable device (Apple, Blackberry or Android) is to send yourself an email:

1. Send yourself an email with the epub file attached
2. On your mobile device open the email and tap on the attachment icon to download to your device
3. You will need a suitable app on your device to read the book

For example:

- Apple devices – Books
- Android – Google Playbook amongst other e-book readers

## MOBI

To add a mobi file to your Kindle, you'll need to connect it to your computer.

1. Turn on your Kindle
2. Connect the Kindle to your computer using the USB cable that came with your Kindle
3. Drag and drop the mobi ebook file into the documents folder on your Kindle
4. Remember to safely remove your Kindle
5. The title/ebook should now appear in your Kindle library  
(Please ensure you've the latest software updates on your Kindle)
